III. OLD BUSINESS

1. Surry County Comprehensive Plan Update

The Surry County Comprehensive Plan Amendment, if recommended by the Planning Commission, will amend the existing Comprehensive Plan (adopted in 2020). The Surry County 2040 Comprehensive Plan (“Plan”) is used by County citizens, staff, the Planning Commission, and the Board of Supervisors as a guide for future decisions affecting the County including, but not limited to, decisions related to future land use, road networks, and zoning case actions. The Plan encompasses all of Surry County. The Plan does not rezone land, but it suggests ordinance amendments and other actions that will facilitate the implementation of the Plan after adoption by the Board of Supervisors.

Plan recommendations are to update the Future Land Use text to include data, information, mapping, policy analysis, and implementation measures concerning the future location of energy projects within the county.
